

CONTINENTAL TOUR REGULATIONS

(Approved by Council, 24 March 2025, effective from 31 March 2025)

1. General Principles

- 1.1. The World Athletics Continental Tour ('Continental Tour') provides clearly understood differing levels of competition based on prize money and quality of organisation for worldwide international one-day Meetings, subject to fulfilment of the minimum requirements set out in these Regulations.
- 1.2. Regulations governing the World Athletics Continental Tour shall be issued to Continental Tour Meeting Organisers ('Organisers') and may be amended every year by World Athletics.

2. Minimum Requirements

- 2.1. Organisers agree to observe and respect all Rules and Regulations, and decisions taken by World Athletics.
- 2.2. Organisers staging the meeting at one competition stadium must do so over one day. If Organisers stage part of the meeting in a temporary facility or facilities (i.e. outside the competition stadium to promote a specific event or events and shorten the timetable) then that part of the meeting must be held the day before. The temporary facility or facilities must be constructed according to Rule 11 of the Technical Rules (see Book C – C2.1 of the World Athletics Book of Rules).
- 2.3. Organisers must arrange a liability insurance policy, in favour of the Athletes, officials and spectators, to cover risks for which they may be liable towards such participants.
- 2.4. Organisers must meet the minimum requirements set out in Appendix 1 to these Regulations.
- 2.5. The Continental Tour calendar can be found on the [World Athletics website](#).
- 2.6. Once an Athlete (or an Athletes' Representative or Member Federation on their behalf) has accepted a starting place in a Meeting, and subsequently withdraws for any reason 5 days or less before the Meeting, the athlete cannot compete in a World Rankings Competition (including a Continental Tour or Diamond League meet) for 5 days following the date of the originally accepted Meeting. For the avoidance of doubt, Organisers must not invite an athlete subject to the 5-day period. If an Organiser discovers they have invited such an athlete and are still within the 5-day period, then they must withdraw their invitation.
- 2.7. The restriction at Regulation 2.7 can only be waived with the written acceptance of the Technical Delegate of the Meeting in which the athlete originally accepted to compete in and subsequently withdrew from, or if for any reason the Technical Delegate is unable to, the World Athletics' Chief Executive Officer (or their nominee). For the avoidance of doubt, withdrawal for genuine reasons (e.g. illness, injury, bereavement, family emergencies etc.) will be presumed acceptable with supporting information.
- 2.8. Where an Athlete is eligible, selected and notified in writing by their Member Federation to compete at the Member Federation's National Championships but, without a genuine reason (with supporting information), instead competes at a Meeting then World Athletics may decide not to validate, recognise and record the Athletes' Results from the Meeting. For the avoidance of doubt, the Athlete is to submit such genuine reasons in writing (with supporting information) to World Athletics' Chief Executive Officer (or their nominee).
